Forest - Kudligi taluk - Chiribi extensions - Notifications under Sec. 16 of the Madras Forest Act - North boundary - Amendment - Proposals - submitted.

Please see Volume placed below

The constitution of the Chiribi extension block in the Kudligi taluk as a reserved forest was approved by the Government in G.O. No.725 dated 10-10-1894 and the notification under the provisions of Sec.16 of the Madras Forest Act was published in the Fort St. George Gazette dated 16-10-1894 (No.496). During the verification of the forest boundary the Panchayat Deputy Tahsildar Kudligi has found out a discrepancy in the notification in respect of its northern boundary. He reports that from cairn No.45 the line passes straight through S.No.127, 116, 95, 96 and 97 to the southern most corner of S.No.98. S.Nos 118 and 97 have been omitted in the original notification. A draft amendment to the notification is enclosed for favour of approval and publication in the Fort St. George Gazette.

2. A copy of the Panchayat Deputy Tahsildar's report with a sketch prepared by him is also enclosed.

Panchayats - Forest - Kudligi Taluk - Jhiribi extension reserved forest - Notification under Sec. 16 of the Madras Forest Act - Omission - Supply - requested.

During my verification of the boundary of the Jhiribi extension Reserved Forest with the notification under Sec. 16 of the Madras Forest Act (V of 1882), -- approved in G.O. No.725 Revenue, dated 10th October 1894, communicated with B.T. (L.R.) 2nd November 1894, Forest No.679, I noticed that S.Nos.118 and 97 of the Gajapuram village are omitted in the northern description of the boundary. I submit a sketch showing the discrepancy with an extract from the notification appended to it. From cairn No.43 the line passes straight through S.Nos. 127, 118, 95, 96 and 97, to cairn No.44. The sub divisions in the field measurement books agree with the notification. There is a slight mistake in the forest map, which will be corrected to agree to the notification. The wrong line cut on ground from S.No.42 to 44 has been realigned from S.No. 42 to 43 and thence to 44. I submit the following draft amendment to the notification, which may be got approved by Government.

Draft Notification.

His Excellency the Governor in Council is pleased to order, under the provisions of Section 16 of the Madras Forest Act (V of 1882), the amendment to the northern description of the forest boundary of the Jhiribi extension block in the Kudligi taluk, Bellary District, in the schedu appended to the notification, No. published at page of the Forst St. George Gazette, dated as shown belo
